Dear Neil,

On behalf of COGSO, I would like to let you to know how very pleased we are with the work you undertook on the recent COGSO Roadshow through the four regional centres of the Northern Territory. Lesley and Peter provided COGSO Business Committee with a briefing on the week and the strong attendance in all locations is an indication of the effectiveness of this method of reaching people in such remote locations.

We sincerely appreciate the way both you and Jane were able to accommodate to the logistics of undertaking such an event, and your input into each of the presentations was greatly appreciated.

In undertaking this road show you have rendered an invaluable service to COGSO for which we thank you both.

On behalf of COGSO and the parents and young people of the Northern Territory, I wish you both the greatest of success in all your endeavours.

Yours sincerely,

Julie Donohue
President
